**Only 10 places are available now.**

# LUXURY THREE-DECK YACHT

You will have access to the boat with a capacity of up to 90 people from Friday to Sunday. Arriving at the boat is impressive in itself - we sail around Monaco in a smaller boat straight to Port Hercule, where your yacht is moored. On Friday you'll enjoy an opening party with a live band and DJ, while Saturday and Sunday will feature morning refreshments, a lavish lunch buffet, canapés throughout the day and unlimited drinks including three colours of wine and fine champagne. The boat is equipped with several TV screens so that you don't miss any detail of the race.

# CIRCUIT, YACHT AND GRANDSTANDS POSITIONS

The position of the yacht is indeed prestigious. The boat is moored in the first line right on the track between the Nouvelle chicane (turns 10, 11) and the tight left-hand bend of Tabac (12). You can watch the race from decks one and two. For those of you who want to watch the main race from a different perspective, we offer optional access to Grandstand "O" (ticket at extra cost, subject to current offer), where we will transport you by boat.

# FRENCH HIGH GASTRONOMY

In the picturesque town of Èze, you will enjoy a delicious dinner with paired wines on Saturday after the qualification in a restaurant whose terrace is located on top of a cliff 400 metres above the sea
